<div></div> <div>(Insert photo</div> <p>Picture is the entire group of the Feb 1975 Northbound trip – Joburg to London. The trip took 6 weeks longer than planned because Zaire had closed its borders, and this necessitated our traveling through Ethiopia and Sudan.</p> <p>Since 1985 much of the group have met up in different parts of the globe (Bruges, Seattle, Exeter, Sydney, Taupo, South of France, Cape Town and Queenstown) to celebrate our 1975 sojourn. Our 50th anniversary will be held in Ho An Vietnam.</p>	<div></div> <div>(Insert photo(s) here)</div> <p>Picture is of the two drivers – Steve Nicols (left) Chris Mora (right)</p>
